ABOUT US

ATT Service FZE is a multi disciplinary corporate solutions provider based in the United Arab Emirates. We support entrepreneurs, investors, SMEs, and multinational entities by delivering end-to-end business setup, documentation, administrative, and operational solutions. With strong expertise in UAE regulations, licensing structures, and compliance requirements, we ensure our clients experience a smooth and stress free journey throughout their business lifecycle.

Our services extend beyond standard corporate support. We provide lifestyle management, international coordination, event assistance, real estate support, and specialised services tailored to meet the evolving needs of individuals and businesses. By combining professionalism, transparency, and attention to detail, we ensure reliable solutions under one roof.

BUSINESS CONSULTATION

Our business consultation service provides comprehensive guidance for individuals and companies planning to establish or expand their presence in the UAE. We offer strategic recommendations tailored to your industry, helping you navigate the complex business landscape with confidence. Our team evaluates your goals, resources, and requirements to create the most efficient roadmap for your business setup.

Additionally, we assist with documentation, trade license selection, corporate structuring, compliance, and regulatory alignment. Whether you are entering the UAE market for the first time or scaling an existing business, our experts ensure that you take well-informed decisions that save time and cost while improving operational efficiency.

03

KEY FEATURES

- Personalized business strategy planning
- Complete documentation support
- Company structure & jurisdiction guidance
- Compliance & regulatory advisory
- Feasibility studies & financial direction

OPENING A COMPANY (MAINLAND, FREE ZONE & OFFSHORE)

We help clients establish companies in all major business jurisdictions Mainland, Free Zones, and Offshore. Our team handles every step of the process, ensuring a hassle free experience from initial documentation to obtaining your trade license. We provide professional advice on selecting the right jurisdiction based on your business activities, target market, and operational structure.

We also coordinate directly with government authorities, saving you time and avoiding delays. Whether you need investor visas, bank account setup, or PRO services, we cover everything end-to-end, making your company formation seamless and compliant.

VISA & PLANE TICKETS

We simplify your travel experience by offering complete assistance for visa documentation, visa applications, and flight ticket bookings. Our team ensures compliance with the latest travel rules and guides you through each step of the application process.

In addition, we help you find the best airfare options, manage travel itineraries, and coordinate bookings for individuals, families, and corporate groups. Our services aim to make your travel smoother, faster, and stress free.

KEY FEATURES

- Tourist, visit & residency visa assistance
- Flight booking & ticket management
- Travel itinerary planning
- Affordable & flexible travel options
- Document support & processing

PURCHASE & RENT A HOUSE

KEY FEATURES

- Property buying & renting assistance
- House viewing arrangements
- Market insights & negotiation support
- Paperwork & contract assistance
- Residential & commercial options

We provide full real estate assistance for clients looking to buy or rent homes in the UAE. Our consultants help you explore properties that match your lifestyle, budget, and location preferences. We offer transparent advice, up-to-date market insights, and complete guidance throughout the process.

Whether you need an apartment, villa, townhouse, or luxury home, we arrange viewings, negotiate pricing, and handle paperwork. Our goal is to ensure a smooth property search experience while protecting your interests.
